

Leanne Taylor

Senior Principal and WA State
Manager, Assessments and
Approvals

Leanne is a Senior Principal, based in JBS&G's Perth office. She has more than 20 years professional experience in impact assessment, environmental management, industry regulation, application of environmental legislation and policy and environmental approvals and advice.

Leanne joined JBS&G following an extensive career in the Western Australian public sector in roles that delivered high-level strategic advice and support to senior executives and Ministers.

Leanne is experienced in the development and coordination of approvals strategies to ensure clients can efficiently manage their approval and compliance obligations under the EP Act, Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act), Petroleum and Geothermal Energy Resources Act 1967 (PGER Act), Mining Act 1978 and subsidiary Regulations, policies and guidelines.

Leanne has extensive Government networks and wide experience liaising and working with agency representatives, industry and the community.

Responsible for project direction, client liaison, government negotiations, stakeholder engagement, coordination of technical specialists, and review of all approvals documentation.
